Updated Guidance Documents

On Tuesday, the Treasury released updated Coronavirus Relief Fund (CRF) FAQ adding questions 49-52. These new FAQ relate to “lost wage assistance” under the Stafford Act, determining when a cost is “incurred,” and whether using CRF to establish grant and loan programs would trigger the Internal Revenue Code’s definition of “gross taxable income.” The updated FAQ can be found at: https://tinyurl.com/y65rd5wo.

Regarding the “gross taxable income” questions, the Treasury FAQ links to the Internal Revenue Service’s FAQ and is located at: https://tinyurl.com/y6mc3nug. It is important to note that the IRS FAQ state the following in regards to the tribal general welfare exclusion, “However, a grant made by the government of a federally recognized Indian tribe to a member to expand an Indian-owned business on or near reservations is excluded from the member's gross income under the general welfare exclusion.”

On Tuesday, the Treasury also updated their “Allocations to Tribe Governments” document to correct a link in the footnote. There were no substantive edits and the document can be found at: https://tinyurl.com/y3om9wpt.
